Sigiriya Rock Fortress

The 5th century rock citadel of King Kasyapa and World Heritage Site – Sigiriya – does not only boasts of ancient Sri Lankan engineering & urban planning supremacy but also acclaims to be one of the finest monuments of art & culture. Step through the gigantic 'Lion Paws' – overlooking the symmetrical royal gardens below – to comprehend the absolute splendor that once dominated this rock fortress. Surrounded by ramparts & moats the Lion Rock – resembling the mythological 'City of Gods' – is coated by frescoes that relate to Gupta style paintings found in Ajanta caves of India.

Walk in the shade of an eminent 'mirror wall' embracing the Western face of Sigiriya representing an artistic hundred meters laminated with graffiti. Wander into the well-fabricated museum downstairs for an epic journey of yesteryears to realize how the citadel floated above citizens with the castle, ponds and irrigation systems that pumped water right onto its summit with an ingenious hydraulic system describing a colossal masterpiece of the great king, which remained a wonder in Asia for centuries.

Neatly tucked away just 35 km away from Galle, the forest reserve also houses around 78 villages. Start with a trek through the rainforest with your tracker, whose home is on the edges of the forest reserve itself. Expect to see plenty of birdlife, perhaps a few monkeys, some unique bugs and creepy crawlies, and maybe even some snakes. The rainforest provides a lush habitat for a wide range of flora and fauna. If you're feeling adventurous you can even crawl through a cave underneath the rainforest floor!

Take a quick break for a Milo and a piece of cake at a beautiful and fairly isolated waterfall. The water tends to be a little rough but strong swimmers might want to take a quick dip. It's also a great place

to dip your feet in the water as you take a short break.

Finish the walk with a hearty authentic Sri Lankan lunch of rice and curry, cooked by your tracker's wife in their nearby home and served onto a table inside one of the large lakes running through the forest. The scenery in the area is straight out of the Jungle Book.
